

We are looking for new Trustees

Are you passionate about inspiring the next generation to engage with global issues? Do you believe we should prepare them to face the challenges posed by sustainability and global citizenship?

We at DEED – the Dorset and Hampshire Centre for Global Learning – are looking for new Trustees to join our small, dynamic team in developing initiatives for inspiring young people and their educators to engage proactively with the challenges of living in today's global society.

We are a charity managed by a Board of Trustees who are at the heart of what we do. We use their skills and experience to advise, support and develop new initiatives to add value to our work with schools and communities across Dorset and parts of Hampshire. For a fuller picture of who we are and how we work, check out our [website](#).

We welcome all applications but at present are looking in particular for Trustees with skills and experience in:

Human Resources
Fundraising, especially in applying to Trusts and Foundations
The education sector – schools, Multi Academy Trusts, FE and HE

We simply ask you to share your ideas and expertise with us, commit to joining our bi-monthly early evening meetings (which take place via zoom) and attend our AGM. The role is voluntary, but we reimburse expenses.

"The DEED team is a group of very hard-working and committed professionals. Their work is inspiring for our clients and an inspiration to DEED's Trustees. Working with them as a Trustee and Chair has been a pleasure. We now need to move DEED forward into a new era and so want to improve the skills-base amongst the Trustees and bring new ideas into our strategic plan."

Graham Higley, Trustee
